

Riverwood Academy Chartered Public School Volunteer Log

Parent Name: _____

Student Name(s): _____

Volunteers are a vital part of our school community. Charter Schools grow and thrive thanks to the time and efforts put in by the families whose children attend them. Riverwood is no different. The Riverwood PTO requests that each family volunteer ten (10) hours, per year, per family in our school. Please keep track and log volunteer hours. Once the ten (10) hours are logged and completed, forms may be turned into the Main Office for Riverwood PTO verification (by June 1st).

How can I volunteer and meet the 10-hour minimum?

- **Attend a PTO meeting** (1-hour credit per meeting)
- **Be a Volunteer:** Fall Festival, Field Day, Talent Show, Help plan PTO fundraising events, etc. (time served = time credited)
- **Be a Designated Volunteer (need a background check and training):** Chaperone field trip, Become a Community Partner, Coach/Club Advisor (time served = time credited)
- **Donate Items as needed:** Teacher Appreciation Week, calendar raffle, auction item, etc. (30-mins per item)
