

Welcome to First Grade!

Dear First Grade Students and Families,

Welcome to an exciting new school year! I am delighted to have you in my first-grade class. This year will be filled with learning, discovery, creativity, and fun.

In first grade, students will grow as readers, writers, mathematicians, and problem-solvers. We will explore new ideas, make new friends, and build confidence every day. My goal is to create a safe, caring, and positive classroom where every child feels valued and encouraged to do their best.

Parents and guardians are important partners in your child's education. I look forward to working together to help each student succeed. Throughout the year, I will share updates about classroom activities, important dates, and ways you can support learning at home.

Please feel free to contact me with any questions or concerns. Open communication helps us create the best possible learning experience for your child.

I am excited to meet everyone and begin this wonderful first-grade adventure together!

Warm regards,

Ms. Albini
